A BOUQUET OF VITALITY FOR THE DYNAMIC FAMILY

In a holiday village or on a camp site, activities involving nature will be an integral part of your stay in Franche-Comté. The region is ideal for discovery trips and adventures as a family. Travelling on a donkey or on horseback, tree-top adventure, via ferrata... We told you: everyone will find their own paradise there!

CHAPELLE- DES-BOIS A NATURE VILLAGE

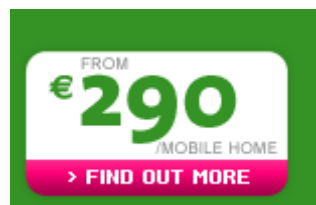

Teach your children how to enjoy the environment. In the Haut-Jura Regional Nature Park, a programme of themed activities complying with the Cap'vacances sustainable development charter will initiate them in the ways of shared growth, the fight against waste and bio-diversity. This is holiday fun with an ethical side.

COCKTAIL OF ACTIVITIES AT LES BALLASTIÈRES

Here's something to get the whole family in the water: a private open air swimming pool, a lake for enjoying a dip in natural water and another for anglers, supervised activities for children... And that's just a glimpse of what you will find at the all-new Ballastières camp site!

TAKE A WALK ON THE WILD SIDE OF FRANCHE-COMTÉ!

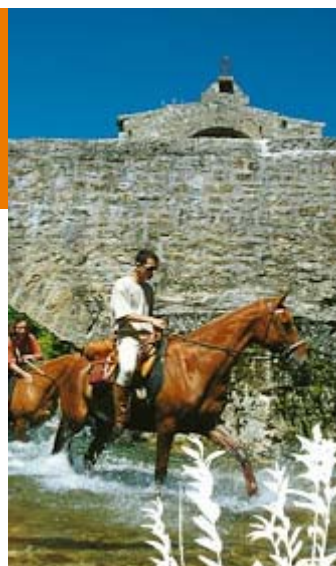

Rub shoulders with Franche-Comté's creatures, great and small! To find out more about them, watch them in their natural environment or in the fully-equipped leisure parks: bison at the Aurochs farm, huskies and reindeer at Chaux-Neuve, animals from the savannah at the Citadelle, etc. And if you're looking for adventure, follow the guide and experience the region from a completely different perspective on horseback or donkeyback!

HORSE-RIDING WITH THE FAMILY IN THE UPPER JURA

Families, saddle up! There's nothing like a trip on horseback for seeing the Jura. Set off together on an adventure of discovery with magical landscapes, villages with charm, forests, valleys and wooded meadows. An original and delightful programme but, above all, a great way to get back in touch with nature in its purest state.

A WONDERFULLY CHEESY STORY

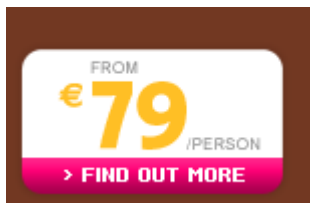

Long ago, Franche, a young region where the living was good, met Comté. They decided to become friends for life and never part. Since then, cheese has had an honoured place in the history of Franche-Comté as the undeniable lord of the table. A lovely story which you can discover as you taste your way through visits to farms, ripening cellars and cheesemakers and as you eat... without Comté-ing the cost!

ON THE COMTÉ TRAIL

Comté is in the image of the Jura mountains, its home region: unique, authentic and natural. Secret recipes, ancestral know-how, rich aromas... The first French cheese to obtain a registered origin designation will then no longer be a mystery to you. Such a lesson is worth its weight in cheese, don't you think?
